

Vith EALTA CEFR SIG to be held on January 27<sup>th</sup>, 2018 at  
Trinity Long Room Hub, Trinity College Dublin

The Vith EALTA CEFR SIG will be held on January 27<sup>th</sup>, 2018 at the Trinity Long Room Hub, Trinity College Dublin.

As suggested by participants at the Sèvres CEFR SIG in June 2017, the Vith CEFR SIG will focus exclusively on the recently published CEFR Companion Volume (<https://rm.coe.int/common-european-framework-of-reference-for-languages-learning-teaching/168074a4e2>). The meeting will be organized around three position papers which will introduce discussion by evaluating the implications for language testing and assessment of three main areas of the Companion Volume,

- Updates to the CEFR (changes to descriptors and new descriptors).
- Mediation scales.
- Plurilingual/pluricultural scales.

The preliminary programme of the event, and also practical information about the venue and its location can be found at [www.ealta.eu.org](http://www.ealta.eu.org).

All EALTA members and interested professionals are invited to attend this meeting. Attendance is free but requires previous registration at <https://www.eventbrite.ie/e/vith-ealta-cefr-sig-tickets-39953359574>.

Please note that the number of participants is limited to the number of seats in the conference room, and *attendance* will be determined on a strictly *first come, first served* basis.

We look forward to seeing many of you in Dublin!
