

Dear EALTA Member,

I wrote to all Ealta members on 28 June 2017 to ask you to please enter our membership database to check your membership records and to renew your EALTA membership. I also sent a reminder a couple of weeks ago about this same matter. Just in case my messages did not reach you, the deadline for membership renewal has been extended still for two more weeks, that is until 16th October.

If you wish to continue being a member of EALTA - which we very much hope - I would like to ask you to please follow the link labelled 'My Membership login' located at the top right-hand corner of the EALTA website (<http://www.ealta.eu.org>), and follow the directions given for renewal of individual and associate membership (institutional membership cannot be renewed in this way). At the same time, you can check that your contact details are correct. *When doing this, please note that, to be able to log in, you must use the e-mail address that you registered when signing up as a member.*

If you have not renewed your membership by **16th October 2017**, your membership will be deleted.

Please contact Marita Härmälä (marita.harmala@jyu.fi), if you have any problems accessing or using the membership pages.

Best wishes,

Marita Härmälä
EALTA Secretary
